

Directions to Download the FREE Personal Edition of ActivInspire

- Go to prometheanplanet.com
 - On the left-hand side of the screen you will see an area to log in or register
- Click “Register”
 - Follow the Directions Under Step One to create your Planet ID
 - Continue with Step Two
 - The school/organization is Fort Cherry
 - Job title = student or parent
 - Locate “FORT CHERRY SD” under the district drop down menu
 - You can select High School
 - Check Grade 7 and Science
 - You can choose “Link/Website” regarding how you found out about the site
 - Click Continue
 - Set your preferences as you wish (you don’t have to click any if you don’t want to) and then continue
 - If your information on the next page is correct, click Submit
- In a gray bar near the top of the page, you should see a link that says “Download ActivInspire.” Click on it.
- Click “US English”
- Scroll down and click on the link under New Users that says “I want the free Personal Edition”
 - Where it says “Do you currently own Promethean Hardware or Software,” click NO
 - The brand of interactive whiteboard we use is “Promethean”
 - You can click “Current Promethean User” in answer to the question “How did you hear about ActivInspire?”
 - Click on whether or not you want promotional items
 - Note: The other fields on this page are not required
 - Click Submit Form
- Click “Download ActivInspire”
- Click “America Mirror” under the correct operating system (the computers at school, for example, use Windows)
- Click Download
- Click Save
 - Choose where you want the application to save
- Click Run
- You will then get a screen for the InstallShield Wizard for Activsoftware
 - Click Next
 - Select Full Install and click Next
 - Click Next again and Finish
